

Supporting Children and Young People with FASD

Seashell are proud to offer this course in partnership with the National Organisation for FASD. Aimed at **education**, and **health and social care organisations** who are looking to up-skill their workforce. The course has been designed with input from expert committees including young adults with FASD.

One day course, 9:30am – 3:30pm

‘Supporting Children and Young People with FASD’ includes:

- Cause of FASD; its prevalence and terminology
- Identification of signs and symptoms that a person with FASD may display
- How to get a diagnosis
- Strategies for supporting a person with FASD
- Voices from the FASD community

Contact outreach@seashelltrust.org.uk for more information, or to discuss your booking requirements

The course is developed under a Department of Health and Social Care funded partnership and is quality endorsed by OCN (Open College Network)
